"The show for us has been fantastic with a lot of footfall. We've launched the Art Gallery Fabrics' designer thread collection which is a collaboration between Aurifil and Art Gallery Fabrics where the designers have created a collection of threads that complement their fabric range. They've been very well received with lots of orders and new UK stockists."

BRADLEY MITCHELL, UK SALES MANAGER

"We have exhibited at CHSI for more than 20 years and I think this year is the best our stand has ever looked, we have the best product range and it has been the busiest show."
